Re: United States v. Michael Healy  
Crim. No. 18-703 (MEF)

Dear Judge Farbiarz:

The Government writes to update the Court that after a review of the exhibits that have been moved into evidence the Government neglected to formally enter into evidence Mr. Healy's EZ pass records, Government Ex. 178, during the testimony of Special Agent Frederick yesterday. Though a proper foundation was laid (TT 2357-2358), and a summary chart of the records was entered into evidence (Government Exhibit 701), the underlying records were mistakenly not entered.

I have consulted with Mr. Turano and referred him to the relevant pages of the transcript. On behalf of Mr. Healy, Mr. Turano has no objection to the Government entering Government Exhibit 178 into evidence before the Government rests its case on Monday without the need to recall Special Agent Frederick.

Very truly yours,

PHILIP R. SELLINGER  
United States Attorney
